## “The Sleeper and The Spindle” by Neil Gaiman

“On the eve of her wedding, the young queen, Snow White, sets out to rescue a princess from a sleeping enchantment.” A completely reimagined fairy tale that weaves together elements of Snow White and Sleeping Beauty to create something new and just a little dark. Packed with beautiful illustrations by Chris Riddell, and everything you’ve

come to expect from our beloved author, Neil Gaiman, this is one fairy tale you won't be able to predict the ending to.
